Joining Forces to Create Change

HELP SUPPORT DSEA BY PARTICIPATING IN OUR FUNDRAISER!

Do you shop at any of these stores listed?

*Check out this fun program to support our new non-profit! **No account sign up required. You do nothing except go shopping as you normally would.** Order your grocery/gas cards through DSEA, pre-pay ahead of time and we will send you the cards. You continually reload at the above retailers and use immediately. It's that easy!! A percentage will go do DSEA to increase advocacy, fund research and help families in need struck by Dose Syndrome.

*You can send a check payable to DSEA. Specify how many cards you would like and the amounts you would like loaded on each. You can order as little as a \$25 then reload as needed.

Thanks so much for your support to DSEA!!! We are your partner in Creating Change!!
